

TWIN POLE RECTANGLE

The Twin Pole collection offers a range of highly customisable, durable and timeless options for casual dining tables, side tables and occasional tables. Crafted from lightweight construction-grade aluminium, brass, copper, and powder-coated steel, these pieces are designed to withstand both indoor and outdoor use. The Twin Pole Collection is not only versatile but also features adjustable feet that can be fitted upon request, ensuring optimal functionality and stability. The Twin Pole Rectangle table features a circular table top.
